Urban Design Program—Urban Design Courses for Spring Quarter 2019

The following is a list of Spring Quarter urban design related courses. Please see the time schedule for meeting times, registration information, and updates on course availability. Entry codes are available from departmental offices or faculty, depending on the department's policy. If you have problems registering for classes, email me at ud@uw.edu and I'll do what I can to help you. If you have any questions about what will count toward the required 12–15 certificate credits for students in your program, please check with me.

Core Courses

URBDP 580	SLN 20701	Legal & Admin Framework for Planning	TBA

Urban Design Studios

Note to MUP Students*: this quarter's URBDP 507 A, B, or C can be the first of your three (for certificate students) or two (for specialization students) required urban design studios but will not count as your second or third. Of the three sections, we most strongly recommend section B for urban design students.*
